

Discover Saint Paul 'Signature Experiences' for groups

New this year, Visit Saint Paul has created six exclusive experiences to bring visitors up close and personal to the city's most iconic venues. The Signature Experiences are for groups between 10 and 50 people.

Uncover the secrets hidden inside the historic Landmark Center. Completed in 1902, this architectural jewel is on the National Register of Historic Places. Travel back in time to explore the building and see areas off-limits to the public.

From the bustling downtown harbor, passengers can ride the river on the Padelford Riverboats. The 90-minute ride runs from May to October, while also showcasing bald eagles, herons and falcons.

dream" by being part of the team as a Saint for a day. Guests take to the field, see their name in lights and more.

Visit the Victorian home of Alexander Ramsey, Minnesota's first territorial governor. A costumed guide takes guests through the mansion to experience what life was like after the Civil War.

"The St. Paul Signature Experiences expose groups to the uniqueness and local flavor of our city through total immersion," said Nick Cusick, mar-

keting and media relations manager. "Giving them behind-the-scenes access introduces them to experts that allow them to discover something new. This 'insider's view' provides a real VIP experience."

Motorcoach parking can be arranged. 🚗
